

Africa Cup of Nations 2024

Africa in Freedom

Public broadcast
January 27th - February 11th

Football is the most serious thing among the least serious, everywhere. The Africa Cup of Nations is the most important tournament in the entire continent. Many people think that Africa is a single large country. It is not so. And we want to show you this every day. Twenty-four National Teams, from the round of 16 to the final. Sixteen matches. All free. Because football is for everyone
